

CIAC
EXTRA HITTER (EH) RULE
SUB-VARSITY GAMES ONLY
(Revised November 2007)

1. The EH must be announced to the umpire at the pre-game conference and be included on the line-up card.
2. The EH may be used by either team. Neither team is required to use an EH.
3. The EH may bat in any position in the lineup.
4. A DH and EH can BOTH be listed in the line-up.
5. The EH can never play defense and no player may come from a defensive position to replace the EH.
6. The EH is listed as a STARTER and may be substituted for and return (one time) anytime during the game as long as he bats in the same spot in the line-up.
7. The EH (and any of his substitutes) cannot play defense and cannot have batted in any other position in the line-up.
8. If a team chooses to eliminate the position of EH during the game, they cannot return to an EH later in the game. (The other team may continue to use an EH).
9. A team that stops using an EH will NOT be penalized with an OUT when the vacated EH spot is due up.
