

Non-Scholastic Outstanding Payment Process:

“If a non-scholastic fee has not been paid within six weeks of the date of the game, unless the organization pays through the board at the end of the season, the umpire shall send an e-mail requesting payment to the Coach, League Director and/or head of the team in question. If no response has been received after 30 days of the sent e-mail request, the umpire may report it to the President and include a copy of the e-mails. If payment is thereafter received, the umpire shall immediately report it to the President.

The Board will take whatever action, if any, it deems appropriate in each case. No report to the Board, made more than 120 days after the game is played, will be considered.”
